

## CHAPTER BOARD OF DIRECTORS OPEN POSITIONS

Are you ready to be active in social work leadership in Mississippi? We need you on the NASW-MS Chapter Board of Directors! All officer positions for July 2024 are voting members of the Board of Directors and participate in setting and implementing the goals of the chapter each year. We focus on professional development for social workers, membership services and advocacy for the social work profession. Meetings are held at least four times a year in-person or virtually. This is a wonderful way to connect with other colleagues and develop your leadership skills.
